IntelliSIP[®] Hospitality Phone Service

Select a 5,000, 10,000, or custom minute plan designed around your hotel's needs. Pay one set price per month for all your incoming, outgoing, local, long distance, and conference calls. Your usage is simple...and so is your monthly bill. No rate tables, seat fees, subscriptions, or confusing ten-page bills.

Unlimited users
Unlimited extensions
Unlimited voicemail
Unlimited trunks
...standard.

All-inclusive plans. Automated assistance, conferencing, voicemail to email, find me/follow me, call queue, park/pickup, custom routing, forwarding, messaging, custom hold music, call reporting and analytics, wake-up calls, online portal, and more come standard.

Unlimited call capacity. Never get a busy signal during the high season or a surge in occupancy. Unlike traditional service with overpriced single-path lines, IntelliSIP includes unlimited simultaneous calling (trunks). Connect without limits.

Seasonal cost reductions. Voice Carrier's flexible minute bundles ensure that you never pay for capacity you don't need.

Even more cost reductions. Cut technician, wiring, and equipment fees. Your system resides in the "cloud" so changes, maintenance, and upgrades are handled remotely.

Same day changes. Add or remove numbers and change your service same day. Need a new line for the spa in your Maui property tomorrow? Done.

Zero down time. In the event of a power outage, ISP issues, or equipment problems, IntelliSIP will autodetect the failure and re-route calls to another property, backup PBX, or mobile devices.

Free hotel-to-hotel calling. Call any number on your network of connected properties - anywhere - without paying long-distance charges.

Staff mobility. Being able to contact the right staff member - quickly and easily - optimizes hotel operations and accelerates guest satisfaction. IntelliSIP connects your staff on any device from any location.

Keep your equipment. Take advantage of the benefits associated with IP communications on your current equipment. Connect your IP or analog PBX for advanced IP functionality at a lower cost per month.

Location independent savings. Unlike other providers where the distance from your location to their rate center may increase your cost, IntelliSIP is location independent...from sea to shining sea.

Customer support included. Live 24/7/365 US-based support with consistent 99% satisfaction rating.
