

# THE PHONE SYSTEM YOU WANT

You need a new phone system right now - onsite or hosted

You want to lower your phone bill by 40-60%

Your phones don't do what you want

You never want to repair or replace equipment again

You want all your locations-worldwide-on one phone system

You want free premium US-based customer support

You want proven reliability

You want to call from anywhere in the world

You want a phone system that's powerful

You want us to take care of everything for you

You want the installation to be fast and painless

You want to keep your phone numbers

You want service even during a natural disaster

You want your global workforce on one phone system

You want hosted phone service at a rural location

You need a new phone system in 24 hrs
